

ATTENTION CALIFORNIA THOROUGHBRED TRAINERS

(Notice Date: May 19, 2021)

THE STATE OF CALIFORNIA REQUIRES THAT ALL LICENSED TRAINERS AND ASSISTANT TRAINERS COMPLETE 12 HOURS OF CONTINUING EDUCATION EVERY THREE YEARS

To assist you in complying with this regulation, the California Thoroughbred Trainers, Maryland Thoroughbred Horsemen's Association, and New York Thoroughbred Horsemen's Association have partnered to create a website to meet the Continuing Education (CE) needs of trainers and assistant trainers. The website, Horsemen U, provides CE courses and, upon completion of a webinar and a brief quiz, a Certificate of Completion with the number of CE hours earned for each course.

We invite you to go to the website, www.HorsemenU.com, register for an account and browse the courses available on the site. Trainers and assistant trainers can take the required hours of CE and store their Certificates all in one place, in the event they need documentation of compliance with the Continuing Education regulation.

We encourage you to provide us with your feedback to improve the site. Please send comments, questions and suggestions to andy@tharacing.com.
